

# MY SIU

This year, NSP is introducing a new, convenient way for faculty, staff, students and families to be up-to-date on the events scheduled for Saluki Startup, Weeks of Welcome, and Saluki Family Weekend with the MySIU App.

*What can this app do?*

**Provides an up-to-date agenda.** Browse events or search for them by keywords. Create individual schedules and personalize your day!

**Sends instant push messages.**

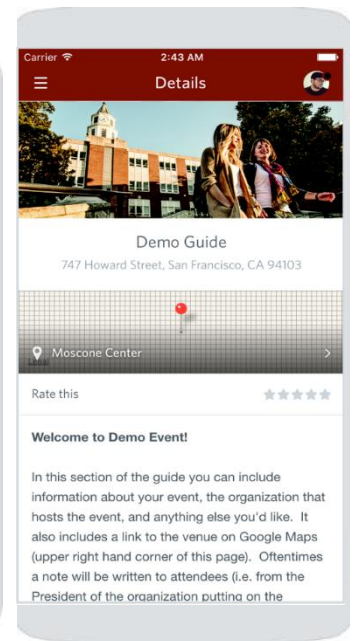

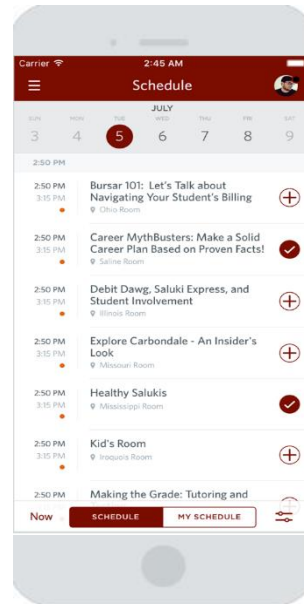

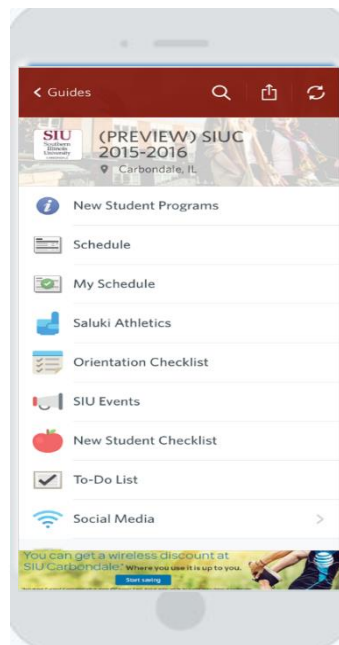

Receive notifications on upcoming events.

**Interactive maps.** High-resolution maps are available to guide you to events. *Only on the app.*

**Student networking and social media interaction.** Allows you to check-in to events and post to social media straight from the app.

**Posts pictures to the app.**

Have an exciting picture from one of the events? Share them on the app for all to see!

Download the [MySIU](#) App Today!

Located on [Apple App Store](#) and [Google Play](#)

**Website.** The events are online too!
